

Habitat for Humanity of East King County is now accepting applications for new and previously-owned homes in Renton, Snoqualmie & Redmond

**Renton, November 23, 2011** - Habitat for Humanity of East King County will select four income-qualified partner families for their development in La Fortuna, Renton and previously owned homes in Redmond and Snoqualmie. There will be one ADA accessible unit available. Please attend a Family Information Meeting to learn about homeownership criteria. Applications will be distributed at the meetings to families.

For more information about Habitat for Humanity and the family selection process contact Stephanie Gonias at 425-869-6007 or [families@habitatekc.org](mailto:families@habitatekc.org).

Since 1988, Habitat EKC has built, rehabbed or repaired 111 houses. The East King County service area incorporates the regions east of Lake Washington. The goal of this affiliate is to make it possible for low-income Eastside residents to be able to purchase simple, decent, and affordable homes. The families who will move into these homes will put in 500 hours of their own labor as a down payment towards homeownership. [Visit www.habitatekc.org](http://www.habitatekc.org) to learn more.

*More About Habitat for Humanity International:* Habitat for Humanity surpassed its 500,000 house milestone during its most recent fiscal year. Since the nonprofit was founded in 1976, its self-help, hand-up model has resulted in rehabbed, repaired or new housing for more than 2 million people worldwide. Habitat East King County and Habitat Seattle/South King County is part of this global effort. For more information or to donate, visit [www.habitat.org](http://www.habitat.org).
